The allergy information provided by Seabreeze relates to foods used as actual ingredients deliberately present in our dishes. The information has been obtained from our suppliers and all reasonable steps have been taken to ensure that the information is accurate and up to date. We take the issues of food allergies very seriously however all of our dishes are prepared and produced in an environment that is not free from gluten, milk, nuts and other allergens. If you are sensitive to the trace presence of an allergen or allergens we are unfortunately unable to guarantee that any of our foods are suitable for you. If you require any other information or guidance please speak to a member of our team.
